

The Coastal Training Centre, in partnership with the Nicola Valley Institute of Technology is looking for students who are interested in taking a 32 week (8 month) Health Care Assistant program at our Centre in Prince Rupert.

The Health Care Assistant (HCA) program prepares individuals to work as front-line health care providers in a variety of community and institutional settings. The program will provide individuals with knowledge and skills to function independently as health care workers and members of the health care team.

Entrance Requirements include but are not limited to the following:

- **High school graduation or mature student status with a minimum of English 10 or equivalent and Math 10 or equivalent**
- **Standard First Aid with CPR level “C”**
- **BC Food Safe Certificate – Level I**
- **Proof of negative TB skin test**
- **Solicitor General Criminal Record Search**
- **Updated immunizations**

This program has one of the highest rates of employment upon successful completion. If you are interested in applying for this program, please call Brenda Leighton at 250.627.8822 or email her at: brendlei@citytel.net on or before September 9, 2016.
