

Summer Student Program 2021

Metlakatla is looking to hire a number of students for the Summer Student Program. There will be some training for certificates such as First Aid, WHMIS and PPE.

If you are in grades 9-12 or are graduating in June 2021, and would like to get some experience in the work force and make a bit of money, this is a great opportunity for you. There is a limited amount of positions open, so please act immediately if you are interested.

You must be actively attending school, either online or in person

I would like to meet with each student individually, so please have the students contact me themselves so that I can set up an appointment. NO calls from parents, students only!!

Please contact Tara J. Leighton at 250-627-9470 (cell) or by e-mail, employment@metlakatla.ca.
