

Coastal Training Center

Bridging to Trades Program

The Bridging to Trades program provides students with pre-foundational training in several high-demand industrial trades. Students will also develop necessary employment skills including resume writing, interviewing tactics, and other job-search related tools. Throughout the 12 week program, students will develop a sound understanding of workplace safety and gain significant hands-on experience in each of the following four trades:

- Electrical
- Plumbing / Pipefitting
- Machining / Millwright
- Welding

Additional program content includes:

- Occupational First Aid Level 1
- Transportation Endorsement
- Workplace Hazardous Materials Information System (WHMIS)

The Bridging to Trades program will commence in September 2016 at the Coastal Training Centre. Please contact Brenda or Tara at 250-627-8822 if you are interested and would like to register for the course.
