## Member Assistance Payment

*Dear Metlakatla Members*

In light of financial challenges facing many of our members as a result of the COVID-19 pandemic, the Metlakatla Governing Council has authorized the issuance of a \$500 per member disbursement to be paid in Canadian funds.

**If you have moved in the past year, please contact communications assistant Erika Leighton at [leighton@metlakatla.ca](mailto:leighton@metlakatla.ca) or by calling 250-628-3234 to update your address to ensure you receive this payment. To provide assistance in a timely manner, we are asking that all new mailing addresses are received by the end of day on Wednesday, April 22, which will allow our staff to begin processing payments.**

Please note that this is intended to be a one-time payment and any future payments will be decided upon by the Metlakatla Governing Council as deemed necessary.

**Please share this update with family and friends who may not have access to the Internet or Social Media.**
