

Metlakatla Lands Management Advisory Committee Seeks 5 Members

The Metlakatla Governing Council is looking for 5 Metlakatla members to join the Lands Management Advisory Committee (LMac). LMac members will work cooperatively to advise on the implementation of the Metlakatla Land Code. The Land Code provides the rules and procedures for the management and use of Metlakatla reserve lands.

We are looking for members who have knowledge of land management techniques and processes, knowledge of Metlakatla's reserve lands, a demonstrated interest in Metlakatla's future and a willingness to learn and understand land administration and development initiatives.

All interested applicants can contact Philip Clement for more information, any questions or for a copy of the Committee's Terms of Reference. All applications must include a resume to highlight qualifications and a letter of interest – please send by September 15th to:

Philip Clement, Metlakatla Lands Department
