Marine Training Program **April 3- 12, 2023**

The Coastal Training Centre will be offering the following courses:

Small Vessel Operator Proficiency (SVOP)

(April 3-6)

This course provides basic theoretical knowledge to people with specified practical skills and experience in commercial power driven vessels. On completion of the course, students will have the skills and knowledge to take charge of a non-commercial vessel up to 5 tonnes operating in designated waters. The SVOP Certificate is valid for the operators of a small non-passenger commercial vessel. This may be a fish farm utility boat, a small trading vessel or patrol vessel under eight metres LOA and five gross tons operating in Home Trade 4 and minor waters limits.

Restricted Operator Certificate – Maritime (ROC-M) **(April 11)**

This maritime radio course teaches emergency radio procedures and everyday operating techniques for you and your family. The course also prepares you for the Restricted Operator Certificate – Maritime with Digital Selective Calling (DSC) endorsement examination.

Small Domestic Vessel Basic Safety (SDVBS)

(April 12)

SDVBS is a basic personal safety training certificate course mandatory for persons working as crewmembers of fishing vessels or small commercial vessels shorter than 12 metres in length, operating no more than 25 miles offshore. Transport Canada requirements state that every member of the complement of a ship shall, before the member has completed six months on board ships, obtain a certificate of member's successful completion of training at a recognized institution in marine emergency duties with respect to basic safety.

Please come by the Coastal Training Centre to register, or call for more information at 250.627.8822 or Steve Welsh at 250.279.1757. Payment is required to secure seat in courses. Also valid identification is required.

Funding is available for eligible participants.
