1906 Specific Claim

There is a Specific Claims Tribunal which hears claims from First Nations regarding the administration of land or other assets. All decisions of the Tribunal are monetary awards.

On December 22, 2022, the Specific Claims Tribunal issued a decision in Metlakatla Indian Band v His Majesty the King in Right of Canada. The tribunal held that Canada breached its fiduciary obligations to Metlakatla.

The meeting will be to share the background of the claim, the decision and options that are being considered for the monetary compensation.
