Proposals must include information that demonstrates capacity to successfully fish the license, include Fisher Registration Card numbers for all fishers who may be on board the vessel, and include a specific bid rate. The proposals need

to be received in the mail or hand delivered to our office by the respective due date. The decision on who will receive the License will be selected by the ATP committee, and preference will be given to those proposals that include work opportunities for band members. Metlakatla fisheries reserves the right to extend the application deadline.
